The trial court's order of child support is reversed and the matter is remanded for further proceedings consistent with this opinion....  
CANTIL-SAKAUYE, J.  
I concur: Hull, J.  
While I agree with my colleagues that the child support order must be reversed, I would go one step further--a step the majority does not address because the matter is being remanded to the trial court for further action on the child support award...  
... For reasons stated above, I would reverse not only the child support award, but also the spousal support and attorney fee awards.
